**TO ALL SUPPLIERS SEEKING REGISTRATION AS AN APPROVED SUPPLIER ON THE DATABASE OF THE DEPARTMENT**

All suppliers are herewith invited to register as an approved supplier on the database of the Department.

In order to comply with the procedures set out in the Accounting Officers Procurement Procedures (AOPP), as referred to in the Public Finance Management Act, 1999 (Act 1 of 1999)(PFMA), the Department developed a supplier database to be used by the procurement office.

**The purpose of this database is to give all prospective suppliers an equal opportunity to submit quotations to the Department.**

Preference will be given to registered suppliers but it does not necessarily follow that suppliers who are not yet registered will be totally exempted from quoting for the supplying of goods or services to the Department. It is envisaged however, that this database will contribute to efficient administration and compliance with the PFMA.

Attached please find an official registration form to assist us in creating and updating our database according to legislation.

**The following important notes should be read carefully before the completion of this form**

1. Registration form to be completed by all businesses seeking to conduct business with the Department. A **company profile / B-BBEE STATUS LEVEL VERIFICATION CERTIFICATE must be submitted.**
2. This form must be completed in full and signed by the owner(s) or manager or administration head.
3. Full signature is required when alterations are made in this document.
4. If the information required is not applicable to your business, clearly insert N/A in the appropriate space.
5. Mark the appropriate square with an 'X' where it is applicable to you.
6. All fields on application form **MUST** be completed by applicant; If the space provided is left blank, it will be regarded as information that is still outstanding and you will not be registered.
7. The front page of the form must be clearly marked "DATABASE" and be posted to the above postal address or hand delivered to the Department.
8. Please note that no unsigned faxed or e-mailed forms will be accepted.
9. A business registered on the database must notify the Department within 14 (Fourteen) days of any changes to information provided in the application form. Failure to comply may result in such a business being removed and/or blacklisted from the database.
10. Businesses providing information intentionally incorrectly or fraudulently will be disqualified.
11. Applicants who have been declared insolvent and wish to do business with the Department must have been rehabilitated and provide the necessary proof thereof,

12. Businesses blacklisted by any organs of state\* must first be removed or cleared from blacklist before registration.
13. Certified copies of the following documents must be attached to application form:
  - a) **A concise company profile (max 2 pages);**
  - b) **Company Certificate or Shareholder(s) register;**
  - c) **Tax Clearance Certificate;**
  - d) **Income Tax Certificate,**
  - e) **VAT registration certificate (for VAT vendors only);**
  - f) **ID for all members / partners / directors.**
  - g) **B-BBEE Status Level Verification Certificate**

**Failure to submit all the above documents will result in non-registration.**
14. Fronting\* will result in a business being blacklisted.
15. The Department has the right to visit the business premises to verify the information provided in this form.
16. Members / directors / partners / owners in service with any organ of state\* management; must declare any conflict of interest. Failure to do so may lead to disqualification or de-registration.
17. This is only a registration form for database and does not guarantee any award of bid / contract.
18. Preference will be given to registered suppliers but it does not necessarily follow that suppliers who are not yet registered will be totally excluded from quoting for the supply of goods or services to the municipality.
19. The database will be updated on quarterly basis. A summary of the supplier's info on the database will be posted for verifying. Changes can be made on the summary and faxed back to the Department. Only on receipt of a **signed** changed summary, updates will be added to the database.
20. The Department reserves the right to reject any application, which in its opinion failed to comply with the registration requirements or criteria.
21. Unsuccessful applicants will be notified as such. On receipt of any outstanding documents / information, the declined supplier may be re-evaluated for registration.
22. Applicants will be contacted via fax and **must** therefore submit an **operating fax number**; failure to comply will result in excluding the supplier from the data base;

Supplier must comply with all the **registration-criteria** for registration to be finalised - **failure** to do so may result in the application being declined.
